

# York Products Warranty

York® products are built right. That's why they're backed with some of the best limited warranties in the business. Our warranties don't provide minimal coverage. In many cases they lead the industry by covering parts and key mechanical components for longer terms than lesser manufacturers.

Terms and coverage details vary according to the products you own:

## **Affinity™ Series Products Limited Warranties:**

- 10-year parts (three-phase: 1-year parts)
- 10-year compressor (three-phase: 5-year compressor)
- Lifetime compressor with a factory-matched York® system
- Furnaces: Lifetime heat exchanger (packaged units: 20-year heat exchanger)

## **LX Series Products Limited Warranties:**

- 10-year parts (three-phase: 1-year parts)
- 10-year compressor
- Furnaces: Lifetime heat exchanger (packaged units: 20-year heat exchanger)

## **Latitude™ Series Products Limited Warranties:**

- 10-year parts
- 10-year compressor
- Furnaces: 20-year heat exchanger (Model TG9S: Lifetime heat exchanger)

## **All Air Handlers Warranties:**

- 10-year parts

All York® products come with a written limited warranty on parts. This warranty states that a replacement part will be furnished for any part of the product that fails in normal use and service during the applicable warranty period specified in accordance with the warranty's terms. Your authorized York® Dealer can review with you the warranty periods for the products you select.

# Gibson by Nordyne Products Warranty

Warranty applies to equipment manufactured after January 1, 2013.

### 10-Year All Parts Warranty

When a product is truly built to exacting standards of quality and durability, the manufacturer's confidence is reflected in its warranty. Gibson heating and cooling products offer one of the best warranties in the business— 10 years on all parts when product is registered. See warranty details for more information.

### 1-Year Quality Pledge (Furnace)

If the heat exchanger (the major component of your furnace) fails within the first year (when registered), we'll replace the product with like product under the Gibson Quality Pledge program.

1 YEAR  
QUALITY PLEDGE

### 1-Year Quality Pledge (Split Systems)

All split system products must be installed with a matched indoor air handler or indoor coil. This product offers a 1 Year Quality Pledge to replace the unit if the compressor fails in the first year of operation, to the original owner. Consumer product registration required for 10 year All Parts Warranty and Quality Pledge within a limited period of time after the installation.

### Limited Lifetime Heat Exchanger Warranty

When you register your new Gibson furnace or gas/electric packaged system, we will also extend the heat exchanger warranty from 20 years to the limited lifetime heat exchanger warranty.

WARRANTY  
ONLINE

### 10-Years on Indoor Air Quality and Zoning Products

When you install and register any of our Gibson Indoor Air Quality or Zoning with your new Gibson system, we will also extend the accessory warranties to the 10 Year Limited Parts Warranty.

### Commercial Applications

Equipment utilized in commercial applications carries a 1-year parts warranty, 5-year compressor warranty and a 10-year heat exchanger warranty.

### Warranty Registration

To assure you take advantage of these longer warranties, register your system within 60 days of installation (or within 60 days of occupancy of a new residentially constructed home with these products). See [Warranty Details](#) for more information.

### Extended Warranty Protection

Ask your Gibson dealer for specific details on warranties, labor protection plans, utility rebates and consumer financing programs. Be sure to ask your Gibson Heating and Cooling Dealer about these extended options and promotions.

**10-Year All Parts Warranty:** 10 years on all parts when product is registered. See warranty details for more information.

**10-Year Quality Pledge:** If the heat exchanger (the major component of your furnace) or the compressor (the most important part of your air conditioner or heat pump) fails within the first 10 years (when registered), or 1 year (not registered) we'll replace the product with like product under the Westinghouse Quality Pledge program. See warranty details for more information. Not all products qualify.

**Limited Lifetime Heat Exchanger Warranty:** When you register your new Westinghouse furnace or gas/electric packaged system, we will also extend the heat exchanger warranty from 20 years to the limited lifetime heat exchanger warranty.

**10-Year on Air Handlers & Coils:** When you install and register your new Westinghouse air handler or coil with your new Westinghouse system, we will also extend the accessory warranty to the 10-Year Limited Parts Warranty.

**10-Year on Indoor Air Quality Products & Zoning Products:** When you install and register any of our Westinghouse Indoor Air Quality or Zoning with your new Westinghouse system, we will also extend the warranty to the 10-Year Limited Parts Warranty.

**Commercial Applications:** Equipment utilized in commercial applications carries a 1-year parts warranty, 5-year compressor warranty and a 10-year heat exchanger warranty.

**Extended Labor Protection:** While Westinghouse warranty covers parts, the cost of labor charged by your dealer for service and repair is not. However, extended labor protection plans are available to cover labor costs associated with repairs. Your dealer may offer various coverage plans; we recommend you look for the **Contractors' Preferred Protection Plan** brand approved for Westinghouse.
